

KENT STATE UNIVERSITY COLLEGE OF ARCHITECTURE & ENVIRONMENTAL DESIGN

KENT, OH

Owens Corning delivers high-performance insulation solutions through a full line of fiberglass, foam, and mineral wool products and systems. These products and system solutions help conserve energy, improve acoustics, and ease installation and use. These qualities add up to preferred insulation products for residential and commercial construction and industrial applications.

With an average of 20% recycled content and GREENGUARD GOLD certified for low emissions, the installed FOAMULAR® insulation products contributed to valuable LEED® credits, helping the building earn a LEED® Platinum certification.¹
